SPECIALTY PIPE FABRICATORS SINCE 1962

Female NPT to Butt-Weld Tube Adapters

Available in 316 Stainless Steel

Butt-Weld to female NPT threaded tube adapter for stainless steel process lines

The female National Pipe Thread (NPT) Tube Weld Adapter is available exclusively in 316L stainless steel alloy. Stainless steel material is resistant to corrosion and can withstand high temperatures. Available in 1/2" up to 4" Outside Diameter (OD).
